SIR,

Sir,

107/200. Depy. Secy. to the Govt. of India.

Noti by the Examiner Guaranteed Railway Account
Madras on letter N^o 9 A.R dated 11th January 1898 from the
Government of India to the Joint Secretary to the Government
of Madras, P. & D., Railway Branch.

In this Office letter N^o 421 dated 24 August last the
reason for the proposal that an Accountant 3rd grade
should be posted to the Office of the Deputy Examiner,
Trichinopoly instead of an Accountant of the lower grade
has been fully explained.

2. The necessity for an additional Accountant
4th grade, whom it is proposed to post in the Madras
Railway Company's Office at Royapuram to assist
the one Accountant there is due to

- (i) The increase in the Madras Railway earnings.
- (ii) The Madras Railway having undertaken the
working of the Madras-Eraser section and the
Kolar Gold Fields Railway, and
- (iii) The extension of the Madras Railway from
Calcutta to Cannanore and Arcot to Ranipet
under terms different from those of the old
Contract.

3. The increase of work prevents the single Accountant
engaged on the Madras Railway concurrent audit from
exercising to the full extent the necessary check and
scrutiny of the Company's books and accounts. The
greatest difficulty has already been experienced in
keeping the concurrent audit fully up to the Company's

so as to avoid delay in the submission of their accounts, and this difficulty will be greatly enhanced by the large amount of extra audit work that will be thrown on the staff of this office by the construction of the Calicut-Cannanore Extension.
