GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Railway.

Read the following paper:—

From—The Agent and Manager, Madras Ry.
To—The Consulting Engineer for Rys.
Dated—Madras, 25th January 1898, No. E. 715/70.

I have the honour to forward, herewith, an estimate with plan No. 942 B. (Mis.) for the proposed additional dock at Kallayi and to request that the sanction of Government may be conveyed to me for the required outlay, Rs. 7,921, chargeable to Capital.

2. In explanation of the necessity for the work, the Traffic Manager writes:

I beg to state that the increasing timber traffic at Kallayi necessitates the extra accommodation asked for. The following figures show the development of this traffic during the last few years:—

EXAMINER'S REPLY.

The Estimate is correct as to
allocation and requires the sanc-
tion of the Local Govt.
Funds, it is said, will be provided
in the Budget Estimate for the in-
coming official year. The work
should not consequently be put
on hand till the close of the
current financial year.

SIR,

From N. E. 715 dated the 25th Jan 98. I see that two important items of the estimate are a small turntable and a hand crane. Please let me know whether these are already on your stock or do you propose to obtain them elsewhere. It seems very probable that if you have not got them they may be obtainable good enough for the purpose, from the second hand or surplus stock of other lines.
