Bombay Castle,
15th December 1896.

From the Consulting Engineer for Railways No. 9405 dated 11th December 1896.

Submits the following letter from the Agent, Southern Mahratta Railway Company,
No. 11923 dated 2nd December 1896:—

"I have the honor to forward herewith, for favor of sanction, a plan and an estimate, the latter amounting to Rs. 20,053, chargeable to Capital, for a crossing station between Kudatani and Bellary. The necessity for this and other crossing stations was fully dealt with in Resolution 17 of Officers' Meeting No. 2 of 1894. The sanction of the Board has been communicated in para. 6 of their Secretary's letter No. 288 of 1896, copies of which were sent to you under my letter No. 5004 of the 19th May 1896. Provision to meet the expenditure will be made in the detailed Budget Estimate for 1897-98. Sanction should be kept open for twelve months from date of issue. This letter, of course, cancels my letter No. 7694-5586 of 5th June 1896."

RESOLUTION.—The estimate, amounting to Rs. 20,053, is sanctioned, chargeable to Capital.

Copy of letter from The Government of Bombay
No. D. Res. No. 2648 of 8th October 1897.

I am directed to forward, herewith, a copy of land plan and schedule No. 1389 for lands measuring 12 acres 3 roods & 23.72 poles required under class A for a crossing station between Kusalain and Bellary. The construction of this station was sanctioned in Bombay Govt. Resolution No. 3093 of 15th December 1896 (copy attached).

2. I am to request that, with the permission of H.E. the Governor of Madras in Council, the necessary action may be taken for the acquisition of ^{the} land, and that this Government may be favoured in due course, with information as to the amount of compensation and capitalised value of loss of assessment debitable to the Capital account of the S.M.R.

Copy of a letter from the Off. Collector of Bellary, to the
Secretary to the Commissioners of Land Revenue, Madras
Dis. N. 402, dated 25th January 1898.

In reply to Board's Proceedings N. 4361
16-11-97 Mis.
the enclosures to which are herewith returned, I have
the honour to submit herewith a draft declaration
for the acquisition of the lands required for a crossing
station between Kudutani and Bellary, together with the
statement prescribed in para 3 of B. S. C. N. 11 and to
request that the draft declaration may be approved and
submitted to Government for publication in the Fort
Saint-George Gazette.

2. The District Engineer S. M. R. has requested permission
to enter upon the lands in anticipation of Government sanction
and I would therefore ask that the notification may be published
in the Gazette as early as possible so that action may be
taken under section 17 of Act I of 1894.

3. The statements taken from the owners of the lands are
forwarded herewith with translation for transmission
to Government with the draft declaration.

4. The amount of Compensation payable is estimated
at Rs. 84-15-0. The Head Quarters Deputy Collector,
Bellary, states that the ryots are willing to part with
the lands on payment of the amount proposed and that
no additional amount is required under section 23 (2) of
Act I of 1894. The Capitalized value of loss of assessment

debetable

debt to the Capital Account of S. R. R. calculated
at 30 times the assessment will amount Rs 363-12-0

Proceedings of the Board of Revenue (Land Revenue)
N^o 449 Misc.; dated 15th February 1898.

Read letter from C. A. Elwin, Esquire, M. J. Collector
of Bellary, to the Secretary to the Commissioners of Land
Revenue, Madras, Dis. N^o 402, dated 25th January 1898.

Resolution.

Submitted to Government with reference to
its order N^o 5683 Mis.; dated 5th November 1897.

2. The Board recommends that the draft notification
may be approved and ordered to be published in the Fort St.
George Gazette at an early date.
3. The Collector states that the amount of compensation
payable is estimated at Rs 84-15-0 and that no additional
amount is required under Section 23(2) of Act I of 1894. The
Collector will be informed that it is not permissible to
over-ride in this manner an express provision of the
law. The proper method in such a case as this is to divide
the total compensation payable when it has been as-
certained by negotiation between the heads of market
value and "additional 15 per cent under Section 23(1)".
This should be invariably done in the statement submitted
under the appendix to para 3 of Standing Order N^o 11.
4. The capitalized value of the assessment payable
for the iram and ryotwari lands under occupation
and also for Government waste land has been taken at
30 times the assessment (Rs 12-2-0) whereas it should be
fixed

fixed at Rs. 346-6-10 which is the capitalized value at 3½ per cent.

5. The Board presumes that the Enam land shown as field N. 678/1 is enfranchised.

Endorsement from the Revenue Department
No. N. 937, dated 22nd February 1898.

Transferred to the Public Works Department
(Railway Branch) with reference to its Memo. N. 4165 C,
dated 14th October 1897.
