THE SECRETARY TO GOVERNMENT,

Public Works DEPARTMENT,

Railway Branch, Madras,

SIR,

SIR,

The special Deputy Collector, Pulicat Division of the Berwada Madras Railway, acquired under the Land Acquisition Act 34.41 Acres of lands in the Shrotrism village of Periakavaram, Ponneri taluk, of which 32.98 Acres were required for the Berwada Madras Railway and the remainder for assignment in exchange (as inam) for some other lands taken up for the Railway: Vide pages 837 to 842, 919 and 1100 of Part I of the Fort St. George Gazette dated 7th July 1896, 28th July 1896 and 1st September 1896, respectively. The compensation for the Kudivaram right in the lands was settled but that for the melvaram right has yet to be settled. The proposal of the Deputy Collector to remunerate

the holders of the Melvaram right by means of an annual payment in cash from the treasury was not sanctioned by the Board, which ordered that it should take the form of a Beriz deduction. Some of the inamdars, however, do not consent to be remunerated in this way. A formal award has therefore to be passed under the Land Acquisition Act I of 1894 and the lump amount of compensation deposited in the District Court under Sec. 31, Cl. 2, of the Act. The office of Special Deputy Collector having been abolished, I have the honor to request that the Government will be pleased to appoint the Deputy Collector, Tiruvallur Division, to perform the functions of a Collector as far as the settlement of compensation for the melvaram right of the lands is concerned.

I have the honor to be
Sir
Your most obedient servant,
S. S. Munnick
Ag. Collector
