Enclosure.

In exercise of the powers conferred by section 2 subsection (3) (b) of the Epidemic Diseases Act 1897, the Chief Commissioner, Ajmera-Merwara makes the following regulations:-

The names and addresses of all persons arriving from any places infected with bubonic plague who leave the railway at Nasirabad shall be recorded under the direction of the Medical Officer before they are permitted to leave the station. The Medical Officer shall forward such names and addresses to the Cantonment Magistrate who will provide that a watch is kept over these persons with the view of ascertaining whether they suffer from plague after arriving at their residences.

2. The powers herein conferred on the Medical officer shall be exercised by the Hospital Assistant on plague duty subject to the control of the Cantonment Magistrate and senior Medical officer at Nasirabad.

Regulations under section 2 subsection (3) (b) of the Epidemic Diseases
Act III of 1897.

The Chief Commissioner, Ajmer-Merwara, is pleased to direct that the following rules shall be added to the rules d/ the 26th Nov. 1897, for the registration of the names and addresses of persons arriving at the Nasirabad Railway Station.

1. If any person who arrives by rail at the Nasirabad Railway station from ^{any} places infected with Bubonic plague and leaves the Railway at Nasirabad Station is suspected by the Medical officer to be infected with Bubonic plague, the Medical Officer shall detain such person for 10 days in the segregation huts provided for persons suspected or being so infected.

2. A person detained under the preceding rule by an order of the Medical officer shall comply with the order & shall not leave the segregation huts without the permission of the Medical officer.

ORDER No. 139 P. Mis., dated 4th March 1898.

for Ag. Secretary to Govt.

From the Agent to the Governor General, Ottawa, and Chief Clerk
Inspector, Agents-General, No. 25, Ottawa, January 1897, forwarding for
information a copy of the rules issued under section 2 of the Epidemic

Diseases Act 1897.
In exercise of the power conferred by section 2 subsection (2) (b)
of the Epidemic Diseases Act 1897, the Chief Commissioner, Agents-General

makes the following regulations:-
The names and addresses of all persons arriving from any place in-
fected with epidemic plague and leaving the railway at Westport shall be re-
corded under the direction of the Medical Officer shall forward such names
listed to leave the station. The Medical Officer shall provide such names
and addresses to the Government Magistrate who will provide them a book
is kept over these persons with the view of ascertaining whether they
return from plague after arriving at their residences.

3. The power herein conferred on the Medical Officer shall be exer-
cised by the Hospital Assistant and Senior Medical Officer at Westport.
The Government Magistrate and Senior Medical Officer at the Epidemic Diseases
Regulations under section 2 subsection (2) (b) of the Epidemic Diseases

Act 1897.
The Chief Commissioner, Agents-General, is pleased to direct that
the following rules shall be added to the list of persons arriving at the
the registration of the names and addresses of persons arriving at the
Westport railway station.

1. If any person who arrives by rail at the Westport railway station
from a place infected with epidemic plague and leaves the railway at West-
port station is reported by the Medical Officer to be infected with
epidemic plague, the Medical Officer shall detain such person for 10 days.
2. The registration rules provided for persons suspected or being so infected.
3. A person detained under the preceding rule by an order of the Medi-
cal Officer shall comply with the order and shall not leave the station
until within the permission of the Medical Officer.

UNDER NO. 1321-1322 dated 2nd March 1897.
The Medical Officer of the Medical Officer.
