1. A certificate in this form will be given by the Examiner Public Works Accounts, to any officer of the Public Works Department embarking on leave out of India; it should be prepared in duplicate. Instructions for its preparation and disposal are given in the paragraphs of the Code quoted above.

2. All allowances should be stated in rupees a month, and not in pounds a year, and in entering "the rate of absence allowances" it should be stated, in the first place, without reference to the maximum or minimum applicable, and then, if a maximum or minimum applies, or if the allowance is such that a future change in the official rate of exchange may render a maximum or minimum applicable, the words "subject to a maximum or minimum of, &c." If the leave allowances are payable at two shillings to the rupee, the fact should be stated.

3. No claim which has been outstanding for more than six months against an officer quitting India on leave of absence or retirement, should be noted in his Last-pay Certificate for recovery by the Secretary of State for India. Such claims should be entered in it, but not "noted for recovery."

4. In preparing the final Last-pay Certificates of Honorary Commissioned, Warrant and non-commissioned officers on the unattached list columns IV and V may be left blank.

5. In the case of a Commissioned Officer subject to the Leave rules for the Staff Corps or an Honorary Commissioned Officer or a Warrant Officer granted leave out of India under the leave rules of 1889, the heading in column VII should be altered to "Date of being struck off duty," and that date should be entered in the "certificate." But if the leave is on medical certificate, which begins from the date of quitting India, an additional entry should be made in column VII showing the dates of commencement of leave and of sailing also. (See Army Regulations, India, Volume I, Part I, Articles 740 and 939 vi).

6. An officer proceeding to a Colony should submit his final Last-pay Certificate, after it has been completed by the Examiner, to the Comptroller General at Calcutta, if he embarks at any port not in the Madras or Bombay Presidency, or to the Accountant General at Madras or Bombay as the case may be, if he embarks at any port in the Madras or Bombay Presidency, who will in return issue a warrant upon the Colonial authority concerned.
