Requesting that the
railway authorities may
be addressed to provide
roofing to the railway
platform at Tungu-
bhadrā station.

From Joint Sec. P.W.D. 3

2 Sec. L & M. Dept.

Your No-1414 dt 5. April 1898.

Will Sec. L & M please say how far
 progress to going for the roofing. I cannot
 compel the Railway Company to do it, -
 they certainly will not do it without being
 paid for it. Would L & M Dept. like
 an estimate, and if so with they please
 say what size roof do they want. Enlarged
 size right to do. on old rails. and if the
 P.W.D. find that they want the roof, after
 they would probably allow something for it.

 Deputy Collector
 Adoni Division.

To, The Collector of Belkary.

Sir,

I have the honours to state that
 after the Tungabhadra Railway sta-
 tion is declared to be a Plague
 Inspection station, the several trains
 which arrive from either side in the
 hottest part of the day will stop at the
 station for about half an hour for
 the examination of passengers. I
 submit that since the station
 platform has no roof, the passengers
 who undergo examination and the
 inspection staff, shall have to expose
 themselves to the sun and rain. I
 have therefore the honours to suggest

the desirability of addressing the
Railway authorities to provide a
roof for the station platform at
their early convenience.

I have
(signed) Mahdi Hussain.
Deputy Collector.
