I think a copy of
this H.O. should be com-
municated to ER & should
find a place in the
case below because
H.O. 780 R of 6 Oct 1897 (Serial
28-32) has been so com-
municated. - If not, we
proceeding the case will
suppose that the amount
sanctioned in the H.O.
quoted above is all that
has been spent on this
building which is not
the case.
