A.R.

We are put to great inconvenience for want of almirahs in which to arrange our current records which are increasing. They suggest that ~~shelves~~ ~~to~~ new shelves be added at the bottom to our Record Racks, so that the current cases may be within easy reach. I have already represented the matter to D.H.R.

If necessary these may have ~~2 [illegible]~~ sliding doors.

J.A.L.
24/X

A.R. I think this is greatly needed and if E.R. approves, the Cons. Architect might be asked to carry out the work.

(R.) Form No. 3

Estimate for making Record rack

	Rs as.
6 Posts of 6' each size 3" sqre = 2¼ cft. @ 2½ Rs per cft-	= 5-10-
2 Planks each being 14½' × 2¾' × 1" plank = 79¾ or say 80 sft @ 4 as per sft-	= 20-"-
1 Plank ½" thick for making sliding door size 14½ × 6 = 87 sft @ 2 as per sft.	= 10-14-"
	36-8-"
Labour	×10-8-
Total Rs	47-"-

× Amount of labour cannot be checked.

C.R.

I really cannot examine the estimate & plan which are very vague. However, from the rough description given, I think Rs 49 is ample.

Secrty.

Herewith a revised plan and a revised estimate for favor of check.

I hope that the information now given will be found sufficient.

7/11/96

ER

The estimate is fair. It has been cut down to Rs 59.2.. exclusive of the battens at bottom. If this be taken into consideration Rs 63.8.. may be passed

5. Nov 96.

Dr

With reference to the Estimate for Rs 63/8 Submitted by the Carpenter for the Office Record Racks, he applies for an advance of Rs 30/- and promises to complete the work in 2 weeks' time.

Please say if this amount may be paid out of the Office Contingencies & brought on "the Suspense accounts".

A.R
16.xi.96

No - advances are against rules & we have no security in this case
