Despatched on 4/1/78

BACK PAPERS.

FURTHER PAPERS.

passengers from Bombay should be arranged for, at all your large towns, Ajmere, Jodhpur, Jeypur &c... If passengers from Bombay are thus detained for a few days after inspection and disinfection at Abu Road, it will deter travelling by persons who are only moving to get into a less strongly protected area. If you think it better not to have such camps at these stations I suggest as an alternative the detention at Abu Road camp of all persons whom the Medical officer may consider it advisable to detain as possibly dangerous.

4. I have addressed you because the Government of India have urged the necessity of our protecting Rajputana and the Officers of the Bombay Presidency are so fully engaged in suppressing plague and preventing the sick leaving, that it is necessary to request neighbouring Provinces to protect themselves as far as possible.

List of Railway stations in the Bombay Presidency where disinfection and detention are being carried out as distinct from mere examination of passengers:-

Anand.
Bhusawal.
Hotgi.
Kudchi.
Mannad.
Sholapur.
Hubli.

Order No. 2771 M.Mis., dated 11th December 1907.
