R. The meaning of the word "Pancoros" the last word in this telegram from the Secretary of State is not given in the word Code. It appears to have been wrongly transmitted. I have also asked the Telegraph Master, and the Manager OAG's office but they cannot find the word in their Codes. As the telegram should be communicated to the Examiner and Agent before to send it to Madras for disposal.

The word is apparently not inserted to show we know what the order contained in the telegram means. Let D. explain it. He can probably get the word repeated or get the meaning of it in Indian. But surplus profits Rs 914 less income tax has been authorized right enough.

I think the word, which both of you were unable to find out, is "Pancoros" which means "a despatch on the subject will follow." Please see file F-10.

I cannot find the word "Saucorios" in
the Code - Perhaps it is the word
"Saccosus" which means the "Southern
Punjab Railway Company Limited" - and
which may have been mutilated in
transmission
