Note please. You are familiar with the case.
I cannot understand the place being called

Siruvallur in one place & Perambur in another.

I have no objection to the land being acquired & to

the R. filling up the ditch. and if you see no

technical objection order may come from R. & that office.

F.W.S.

13/1/98

I see no objection except that

the rate of Rs 19 is very high. but

we never get any good of fighting

about rates. They will say the

spoil for filling has to be got

from a great distance. The

ditch gets filled with rain

water at times. I believe, but

there is no stream running into

it, and no provision for drainage

is necessary.
