PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Again G.O.No.518 P.Mis., dated 26th May 1898 requesting the Collector of Bellary to report the circumstances in which the exemption granted by him to the S.M.Railway staff travelling by rail on duty has now been withdrawn.

Read also the following:—

From the Public Works Department Railway Branch dated 25th May 1898 No.190 P.M.

From the Collector of Bellary dated 29th May 1898 Dis No.364-P.

Order No.554 P.Mis., dated 1st June 1898.

Under revised Mufassal Regulation 17 issued in G.O.No.466 P. dated 13th May 1898, every person arriving from a plague infected locality is bound to take out a passport and to present himself daily for ten days after arrival before the local authority of the place where he may be. No restriction is placed upon his movements, and no one is detained beyond the time absolutely necessary for his medical examination unless he is suffering from or suspected to be suffering from plague. It is therefore not understood why this rule should be productive of serious or inconvenience in the case of employees of the S.M.Railway Company. The Madras Government is precluded by the orders of the Government of India from granting any general exemption. The Collector however has power to exempt from the necessity of taking out a passport any person with regard to whom there are no grounds for the suspicion of infection, and that officer should be addressed in case the Railway authorities desire the exemption of any particular person.

2. A copy of these Proceedings will be forwarded in the Railway Branch of the Public Works Department to the Government of Bombay.
