Madras

I have the honor to inform you that Mr: Stevenson, an assistant Engineer, has come out to India at his own expense and with the permission of the Board, for employment on the western Coast extensions. It was intended to place him on the Cannanore - Calicut extension but as his services are not urgently required on that work at present while Mr: Dallas is in urgent want of an assistant on the Shoranur - Cochin Survey, he has been placed on duty in connection with the latter work.

The provision for an assistant Engineer in the estimate for the Shoranur-Cochin Survey is however, insufficient in
Please see being Rs. 350, only, whereas Mr. Stevenson
flagged out was given to understand before he left
Sept 26, 24, England that his salary would be Rs. 450/-
of India, per month, the rate of pay provided in the
Establishment

Establishment estimate for the Calicut-
Cannanore extension. I therefore beg to
request that you will kindly communicate
to me the sanction of Government to the
increase of the provision for an assistant
Engineer in the Shoranur. Cochin Survey -
estimate -

We failed to obtain assistant Engineers
here locally for temporary work and had
therefore to apply to the Board to help us.

I have the honor to be,
Sir,

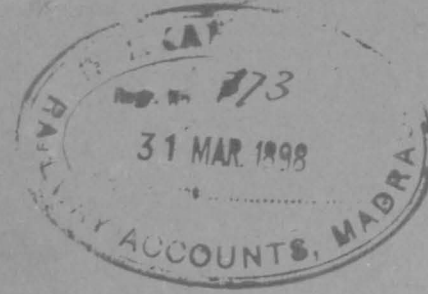

Your most obedient servant.

A. Edmund.
Agent Manager,

The extra money to be paid to the
assistant Engineer will be met out of
Savings and will not, the Chief Engineer
assures me, cause any excess over
the estimate -

The "so-called" Final Revised Est. Calcut. - Cammerton
has provision for 2 a/c's @ 450/-
The rolls contain provision for one a/c @ (350-500) and
2 temporary a/c's at same rate.
I think we had better make enquiry of AM
whether the increase can be met from savings on other
items other a/c's India to sanction

EXAMINER'S REPLY.

E. R.

In the revised estimate for the final location of the Suram
to Chinn line, which was submitted under Agents' No 116 of
10th February 1898 and sanctioned in part of India No 371 R.C. of
19th March 1898, provision was made for an Asst. Engr. on Rs 350 only.
This proposal of the Agents to increase the Asst. Engr's pay to
Rs 450 per mensem will require sanction of the Govt of India.

I understand from what the Agent said on the subject at the
last Official Meeting, that it is not proposed to increase the total of
the estimate as it is considered that the increase in the Asst. Engr's
pay can be met from savings on other items, but this has not
been stated in the application.
