PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Resident at Hyderabad, Cir. No. 7232, dated 31st December 1397.

I have the honour to forward, for the information of the Government of Madras, a copy of a notification issued by His Highness the Nizam's Government, regarding the importation of packages and bundles of used apparel, bedding &c. into His Highness' territory from Sholapur and other infected places in British territory.

Enclosure.

Notification.

As the bringing of used apparel, bedding &c., from places which are affected by plague is considered to be highly dangerous, His Highness the Nizam's Government are pleased to direct that all used apparel and bedding (except when carried as personal baggage of travellers) also rags, waste paper, used gunny bags &c., which may be brought from any portion of the District of Sholapur to any part of His Highness' Dominions, will be at once taken charge of by the plague authorities or by the District officers. If such apparel or bedding is valuable and can be disinfected, it will be so disinfected before being made over to the owners, otherwise it will be destroyed by being burnt. The question whether articles shall be disinfected or burnt is left to the discretion of the officials discharging this duty. No claim shall lie against His Highness' Government for losses sustained by the destruction or disinfection of articles under this order and the public are therefore warned not to import any articles of the kind above described.
