Madras Railway Company,
 Chief Engineer's Office,
 Madras, 14th July 1898

The Agent and Manager.

Dear Sir,

Land for Arcot-Ranipet Branch.

I beg to advise you that serious delay and inconvenience are experienced in the progress of the junction works at Arcot Station owing to the land in the immediate vicinity of this Station, and within the boundaries of the village of Ammoor, not having yet been handed over to the Company.

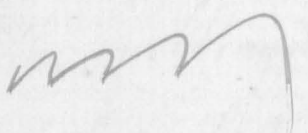

The application for this land, accompanied by the usual land plans and schedules, was forwarded to your Office on the 25th April 1898. On reference to the Collector of the District I learn that the draft declaration was submitted to Government on the 21st June 1898, and that orders for the acquisition of the land will be sent to the Special Deputy Collector as soon as the declaration is published in the Fort Saint George Gazette.

As

3. As this declaration did not appear in the last Gazette dated 28th June 1898, I shall feel obliged if you will request the Consulting Engineer to take such steps as he deems necessary for the early acquisition of the land by the Company.

Yours faithfully,
(Sd) Henry C. West,
Chief Engineer
