Southern Mahratta Railway.—Provision of quarters for the — Police in the Bombay Presidency, the Nizám's Dominions and the Belláry District of the Madras Presidency.

No. 2013 OF 1898.

P. W. Department,
Railway.

Bombay Castle,
20th July 1898.

Memorandum from the Consulting Engineer for Railways dated 12th August 1896.

Submits a letter No. 399 B.—6869 dated 10th July 1896, from the Agent, Southern Mahratta Railway Company, submitting, for sanction, estimates, amounting to Rs. 47,940, chargeable to Capital, for providing quarters for the Southern Mahratta Railway Police at certain stations in the Bombay Presidency, the Nizam's dominions and in the Bellary District of the Madras Presidency. Points out that the Board, in para. 3 of their letter No. 290 dated 10th May 1896, have approved an outlay of Rs. 48,296, which includes Rs. 356 on account of one unit of Police quarters at Halkanagali (Kolhápúr State Railway), debitable to Revenue, regarding which he (the Agent) is addressing the Consulting Engineer separately.

Memorandum from the Public Works Department, Railway, No. 60 dated 9th January 1897.

Memorandum from the Judicial Department No. 2885 dated 9th April 1897.

Intimates that there is no objection to the estimates being forwarded to the Government of India for sanction, subject to the remarks of the Inspector-General of Police, Bombay Presidency, who pointed out, (i) that the accommodation provided in the estimates for quarters for the six Head Constables was insufficient, being 10' x 10' instead of 12' x 10', and (ii) that police quarters should also be provided at certain other stations on the line.

Letter from the Consulting Engineer for Railways No. 2937 dated 15th April 1897, inquiring of the Agent, Southern Mahratta Railway Company, what would roughly be the cost of providing quarters 12' x 10' for the six Head Constables, as required by the Inspector-General.

Letter to the Secretary to the Government of India, Public Works Department, No. 2023 dated 23rd July 1897.

Letter from the Consulting Engineer for Railways No. 5751 dated 23rd July 1897, requesting the Agent, Southern Mahratta Railway Company, to submit supplementary estimates for the Police quarters which the Inspector-General had asked, should be provided at other stations on the Southern Mahratta Railway.

Letter from the Secretary to the Government of India, Public Works Department, No. 1283 R. C. dated 5th August 1897:—

"I am directed to acknowledge the receipt of your letter No. 2023 dated the 23rd July 1897, and in reply to communicate the sanction of the Government of India to the estimates, aggregating Rs. 47,940, of the cost of providing Police quarters on that portion of the Southern Mahratta Railway which lies within the Bombay Presidency.

"2. The sanction herein accorded is chargeable to Capital and has been registered as No. 5, Southern Mahratta Railway, of 1897-98.

"3. The estimates received with your letter under reply are herewith returned."

Memorandum from the Consulting Engineer for Railways dated 12th October 1897.

Submits letter from the Agent, Southern Mahratta Railway Company, No. 399 B.—9382 dated 23rd September 1897, stating, with reference to Consulting Engineer's letter No. 2937 dated 15th April 1897, that the approximate extra cost of providing units 12' x 10' for six Head Constables, would roughly be Rs. 100 per unit,

Memorandum from the Public Works Department (Railway) No. 2712 dated 14th October 1897.

Transfers the papers to the Judicial Department, and requests its approval to the expenditure of the additional Rs. 600 on account of the provision of larger accommodation for the six Head Constables.

Memorandum from the Consulting Engineer for Railways dated 8th December 1897.

Submitting a letter No. 399 B.—11796 dated 26th November 1897, from the Agent, Southern Mahratta Railway Company, submitting, with reference to Consulting Engineer's letter No. 5751 dated 23rd July 1897, revised estimates, amounting to Rs. 49,767, in supersession of the estimates, amounting to Rs. 47,940, and forwarding a report by the Chief Engineer stating that they provide also for the quarters at the other stations on the line indicated by the Inspector-General of Police, with the exception of quarters at Sāngli, Sānand, Samsi, Yalvegi, Byādgī, Rānnibennur, Belgaum, Harlapur and Telgi, which, however, the Police Superintendent has reported, might be postponed at present. Adding that the amount sanctioned by the Board was Rs. 47,940 and that he thinks the present estimates may be passed on this sanction.

Memorandum from the Judicial Department No. 9094 dated 13th December 1897.

States that Government in that Department approve of the additional expenditure of Rs. 600 on account of enlarging the six quarters for Head Constables in the general estimates for Police quarters on the Southern Mahratta Railway.

Memorandum from the Public Works Department (Railway) No. 3320 dated 17th December 1897.

With reference to Judicial Department No. 9094 dated 13th December 1897, transfers to that Department the Agent's letter No. 11796 dated 26th November 1897, together with plans and revised estimates, amounting to Rs. 49,767; observes that they provide for nearly all the quarters asked for by the Inspector-General of Police in the last column of the comparative statement which accompanied his letter No. 1676 dated 4th March 1897; and that they, moreover, afford suitable accommodation to the Constables of different ranks.

Memorandum from the Judicial Department No. 1912 dated 11th March 1898.

Expresses the approval of that Department to the revised estimates, aggregating Rs. 49,767, and states that it is probable that increased accommodation will be necessitated by the Police reorganization scheme now under the consideration of Government.

Memorandum from the Public Works Department (Railway) No. 908 dated 19th March 1898.

Transfers the papers, together with the revised estimates, to the Financial Department, with reference to the orders contained in General Department Circular No. 2241 dated 27th April 1897, for sanction to the payment of the recurring interest charges involved in the case.

Letter from the Government of Bombay in the Public Works Department (Railway) No. 1487 dated 18th May 1898, to the Government of Madras.

Resolution of Government in the Financial Department No. 2817 dated 24th June 1898.

Accords sanction to the payment of the recurring interest charge of 3/10ths of 6 per cent. of the Capital cost (estimated at Rs. 48,183) of the quarters to be erected for the Southern Mahratta Railway Police at the stations which lie in the Poona, Hubli and Gadag Sections.

Letter from the Joint Secretary to the Government of Madras, Public Works Department (Railway Branch), No. 235 R. M. dated 1st July 1898.

Forwards copy of Proceedings of the Government of Madras No. 978, Judicial, dated 24th June 1898, approving of the provision of accommodation for Railway Police at the Kopbal and Munirabad Stations on the Southern Mahratta Railway in the Bellary District at a total cost of Rs. 1,584, and accepting the payment of the Government share of the rent therefor at 3/10ths of 6 per cent. of the Capital cost as an annual charge to "Police."

RESOLUTION.—The revised estimates, aggregating Rs. 49,767, are now sanctioned, debitable to Capital.

2. Sanction registered as No. 50 (Southern Mahratta Railway) to close on 31st December 1899.

3. The Agent, Southern Mahratta Railway Company, should be requested to obtain the approval of his Board of Directors to the present excess over the original estimates approved by them.
