PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue Land Revenue, Mis. No. 2208 dated 12th July 1899 on letter from the Acting Collector of Ganjam, R.C.No.1768/ver of '99 dated 27th June 1899.

Resolution

The Board agrees with the Collector in ~~question~~ considering that the proportionate quit-rent and peshkash on inam and Zamindari lands to be acquired for the Paralakimedi tramway should be remitted in favour of the inamdars and proprietors concerned. But all revenue appertaining to land taken up for the tramway should be recovered from the "Promoter" in one lump sum calculated at 25 years' purchase of the annual revenue on the analogy of the procedure followed in the case of railways constructed by Companies. Vide rule 41 of the general rules printed in Board's Proceedings No.398 dated 15th November 1897. Thus the tramway account will be debited with the value of the entire liability on account of land charges, a course which will be convenient to the "Promoter" himself in the event of his transferring the tramway or the working of it at any future time to the State or to a company.

2. The Board presumes that the land required for the tramway is being acquired as for "public purposes" under Parts I to VI of Act I of 1894 and that the land, when acquired, will vest in the State, the promoter being merely allowed the use of it on payment of its full value for tramway purposes, just as Railway Companies are allowed to pay for and use land the legal title to which vests in the
