Copy of letter Ref C No 13 dated 29th
August 1898 from the Dewan of ^{Railway} ~~Delhi~~.

When I met Mr. Moss this morning, he told me that no provision has been made in the estimate for a special carriage for the use of His Highness the Rajah. You will no doubt agree with me that His Highness the Rajah, when travelling within the State, has to do it in a style befitting his position, and I lay therefore to suggest that arrangements may be made for constructing a suitable carriage for the use of His Highness when travelling on the Shornore-Cochin railways.
