Reference: your No 797 M of 12.9.99.

With reference to the above, I have the
honour to report as follows.

1. The Kavero case was instituted against the Secretary of State for India in Council and Conductor H. Hollingsworth Sub Engineer. Orders were passed in G. O. No. 281 J of 24th March 1896 sanctioning the defence at Public expense. The collector as the representative of the 1st defendant gave Vakalat to the Government Pleader Kavali who appeared for the 2nd defendant also.

2. The total cost incurred in the defence of the suit is Rs 20-15-0 of which a sum of -Rs 4-4-0 was already paid to the Government Pleader by the collector. The balance of -Rs 16-11-0 is due to him.

3. The court has decreed a sum of Rs 24-8-0 as costs in the suit to be recovered from the Plaintiffs. The Government Pleader at Kavali has been requested to recover this amount and as soon as it is received, it will be credited to Government.

4. The difference between the sum decreed by the Court and that of the bill is due to the Pleader having claimed a sum of Rs 15 only, as his fees whereas the Court has decreed a sum of Rs 20/-.

5. The late Government Pleader at Kavali was requested in this office nos: $\frac{585m}{18.10.99}$ $\frac{1740}{26.10.98}$, $\frac{284m}{17.2.99}$, $\frac{548m}{6.4.99}$ and $\frac{570m}{10.4.99}$ to get a copy of the judgment and submit a bill of costs. As he was unwell and away from Kavali, he did not comply with the request. The Present Government Pleader had then to be addressed on the subject. He could not apply for the copy of the judgment without a fresh Vakalat which had to be given by the Collector as representative of the Government. That is how the bill of costs was got through.

6. A copy of letter no: 733 Ver dated 8. 11. 99 from the Collector is herewith sent for your information.

No. 4039 dated 27 November 1899

Forwarded to the Chief Engineer for Irrigation for favour of sanction of Government being obtained to the amount of Rs 16-11-0 incurred on account of the defence of the suit brought by the Villagers of Kareda in Nellore District as per bill enclosed.

From B. M. Mulla Esquire Collector of Nellore
to the Executive Engineer Nellore Division dated
8th November 1899 Reference No 733 Ver

With reference to your letter c. No 1140
G. E. dated 31st October 1899 I have the honor
to state that items 1 to 14 of the bill under
reference were already paid to the Government
Pleader by this Department and to request
that the remaining amount of Rs 16-11-0 of
the bill may be caused to be paid to him
by your Department.

2. Under standing order No 149 (New edition)
it has been usual to pay Government
Pleaders, their fees, and the costs incurred
by them in Government suits, independent
of the recovery of the amounts decreed to
be paid to Government. It is hard to make
them wait for their fees and costs advanced
by them until the recovery of decree amount.

3. The present Government Pleader
Kavali, has been requested to take steps to

the sum the costs awarded to Government and
as soon as the amount is realized it will
of course be credited into the Government
Treasury.
