PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper;—

From the Public Works Department, Railway Branch No. 24

R.M., dated 14" June 1899, transferring letter from the Agent and Manager, Madras Railway bringing to notice the urgent necessity for a road from Ponpadi station to the villages of Ponpadi and Mathoor and requesting, with remarks, to invite the attention of the District Board North Arcot once more to the subject.

From the President, District Board, North Arcot, Dis  
No. 945/DB, dated 21<sup>st</sup> July 1899.

With reference to Government endorsement No. 699, dated 1st July 1899, I have the honour to report that both the District Board and the Ranipettai Taluk Board already fully considered the question of constructing a feeder road from Ponpadi station to Maathoor village and decided that the work could not be undertaken for want of funds (vide this office Dis No. 630, dated 1st July '97 <sup>Serial 162(a)</sup> and 1045, dated 12<sup>th</sup> September '98). The financial condition of both the local boards is still worse now, as they have deficit balances against them and it is not therefore possible to make the road at present.

2. The endorsement under reply is herewith returned.

Order:- No. 1535 L. Mis, dated 3<sup>rd</sup> August 1899..

The President's letter read above, will be communicated to the Public Works Department.
