Enclosures

I have the honor to forward here-
with 3, 12" x 10" negatives showing pro-
-gress of construction of the Stoney's Patent
Head Sluice at Pexias. The numbers
affixed show the order of exposure. The
taking of photos at Pexias has involved
me in an expenditure of Rs. 50/- which
I request the Government may be
pleased to order to be recouped, as the
negatives are required for the Admin-
istration Report and will form a
record of an interesting piece of work
carried out in 1899.
