SIR,

The Examiner of Railway Accounts has brought to my notice that Mr. R. R. Byron, Junior Asst Engineer, employed on the Shoranur Cochin Survey has been granted an allowance of Rs 17 for 8½ days at Rs 60 per mensem, which is inadmissible, owing to there being no provision made in the Company's Travelling Allowance rules for such an allowance. I have therefore the honour to request that you will be good enough to submit a formal application for Sanction for the fixed allowance of Rs 60 which you propose to give Mr. Byron. –

SIR,

841-

Referring to your letter no 1839 of the 12th instant, I have the honour to state that the travelling allowance rules do not provide for officers on Survey and construction who draw a lower salary than Rs 350 and it was not brought to my notice when the scale was under preparation that we had an officer on construction work who was receiving a lower salary than this. I would therefore propose, in order to meet the case of Mr Byron, that provision be made in the rules for the grant of a fixed monthly allowance of Rs 60 to to officers on construction or Survey in receipt of a lower monthly salary than Rs 350 per mensem, and I beg to request that you will kindly communicate your approval to this proposal.

As the proposal is to make an addition to the rules sanctioned by the Govt. of India, the sanction of that Govt. is necessary, and may be applied for if the rate of Travelling Allowance proposed is approved. The Govt of India will probably require the previous sanction of the Board.
