My
The question you put to me is a purely Revenue one which I
understood was dealt with fully by Revenue Department. Personally I
should have thought it quite sufficient if the Rajah had been
allowed to provide his own land. Let John see Collector's report.

Do you consider it essential that the land for the Parliamentary Railway within the Parliamentary Estate should be acquired under the Land Acquisition Act or may we comply with the Rajah's desire that he may be left to provide the land under Section 7 of the Railway Notification.
