Copy of a communication from the Acting Collector of Ganjam to the Secretary to Government Rev Dept through the Consulting Engineer for Railways, Madras, No. 184 Eng, dated 7th March 1899.

With reference to the correspondence noted in the margin regarding the construction of a tramway from Naupada to Parlakimedi by the Rajah of Parlakemidi and the acquisition of lands for the same Copies of which are enclosed for ready reference. I have the honour to state that the notification of a draft order under section 6 of the Indian Tramways Act 1886, has appeared in the Fort St George Gazette dated 14th Febry 1899 - 15th instant has been fixed for the final disposal of the Matter. The Rajah of Parlakimidi is very anxious to have the lands required for the tramway acquired as early as possible. His Agent has written to me that the work is at a standstill, that the Rajah is keeping up a large establishment with little or nothing to do, and that the materials for the tramway have already arrived and requests that an officer may be appointed to acquire the land as quickly as possible. I therefore request that a special Deputy Collector

may be appointed to take effect from 1st April next for the acquisition of the land required for the tramway under the provisions of the Land acquisition Act 1894 as provided in the last Clause of para 7 of the draft notification.

2. The following establishment was sanctioned for the Special Dy Collector appointed to acquire the lands required for the distributary Channels in connection with the Rushikulya Project

One Clerk on Rs 40	Rs 40
" " Rs 20	" 20
" Muchi " 10	" 10
Two peons on Rs " 10 each	" 14
Six Tascars on " 6 "	" 36
Three Surveyors on 25 "	" 75

The present work is not likely to take long and to involve heavy correspondence. I consider that two Clerks on Rs 30 + Rs 20 each will suffice the number of peons being raised to 4 for the speedy service of notices. The assistance of Gulay peons should not be requisitioned for an Estate work.

3. The Rajah has already agreed to bear the necessary charges. It is desirable that all land should be finally acquired before next cultivation season.

Proceedings of the Madras Government.

Read the following letter from the Collector of Ganjam, R.C.No:1409/Eng: d/12th Sept:'99:-

In continuation of my letter C.No:1276/Eng:,d/5th Aug: '99 read in G.O.No:2985,Mis,d/18th Aug:'99, I have the honour to request that the sanction of Govt: may be obtained for the paymenn of Rs.104-8-4, the arrears pay due to the marginally noted survey staff supplied to the Special Dy: Collector by Mr.Sandford, the Engineer of the Parlakimedi Tramway from 1st June 99 to 29th July 1899.

	Total	3- 14-0	104-8-4

2. The survey establishment was applied for in my letter R.G. B.No.184/End d/7-8-99. The reason for this was partly because it was then thought that only 7 miles of line would have to be acquired and partly because it was anticipated that Mr: Sandford would supply and pay the survey staff. This he did for the month of May. The establishment continued to work under the Special Dy: Collr: until the end of July when the Rajah's agent suddenly ordered the Engineer not to pay the survey establishment while under the Special Dy: Collr:. The agent remarked that such charges should be met from the amount deposited by the Rajah with the Govt. Copies of the agent's letter of 19-6-99 & Mr. Sandford's letter of 27-7-99 are enclosed. It was this refusal of the Rajah's agent to sanction and continue this establishment at the cost of the Estate, that made me apply for special survey establishment in my ~~in Mis. No:2985,d/18-8-99~~ letter No:1276/Eng:d/5-8-99 (Disposed in Mis No: 2985 dy 18.8.99).

I reque st that the Govt: may be pleased to sanction payment of the sum of Rs.104-8-4 from the amount deposited by the Rajah for t he acquisition of the land for the Parlakimedi Tramway. This is in accordance with the wishes of the Rajah's agent.
