Note by the Examiner, Guaranteed
Railway Accounts, Madras, on the Capital
six months' estimate of the Travancore
Branch for 1899-1900.

slip #

The six months' estimate has been pre-
pared for the existing grant of Rs 14,00,000;
Rs 7,00,000 having been allotted under
finance head "48" in Govt of India letter
N. 96 A. K. dated 3rd May 1899, and a similar
sum having been promised by the Travancore
Durbar, as an advance, to admit of Cons-
truction being proceeded with on the
Native State Section of the Branch. The
outlay in connection with this advance
is dealt with under "Deposits".

Construction having only recently been
commenced, it is not possible to say,
with any degree of accuracy, whether
the grant proposed will prove insufficient
or otherwise; but it is expected that a
more trustworthy forecast will be
possible when the revised estimate
is submitted in January next.
