Note by the Examiner, Guaranteed
Railway Accounts, Madras on the Capital
Six months' estimate of the Tambaram Branch
for 1899 - 1900.

The six months' estimate has been placed
at the amount allotted in Government of India
letter No. 96 A.H. dated 3rd May 99, viz Rs
10,00,000.

As in the case of the Travancore Branch,
it is not possible, so soon after construction
has been started, to decide whether any modification
of the existing grant is necessary. The matter
will, however, be carefully considered later during
the year and dealt with in the revised estimate,
or if necessary, in a special report.
