Note by the Examiner Guaranteed
Railway Accounts, Madras, on the
Capital six months estimate of
the Mayanuram. Muttupet Ry. for
1899-1900 -

(1). No modification is suggested
in the budget estimate of Rs 22000 £,
as it is expected that the amount
will be fully utilised on the two
works for which the provision was
made.

(2) The estimate for 1900-1901 provides
for the renewal of 12 miles of the
line with 1st class rails; the difference
between the cost of 1st class rails
and the 2nd class rails with which
the line was originally laid, being
chargeable to Capital.
