Letter from the Resident at Hyderabad, No. 123, dated the 5th May 1899.

Resolution.—Under existing orders medical officers in the service of the Government and other medical gentlemen who are appointed Joint Inspectors of Factories are remunerated by fees, at the rate of Rs. 32 per visit, for factories employing 200 or more persons and Rs. 16 for factories employing less than 200 persons. The replies to the circular of this department, dated the 20th January last, read in the preamble, show that great diversity of practice exists in regard to the manner of calculating the number of operatives in a factory for the purpose of this rule. There is a preponderance of opinion in favour of the principle that the fee should be calculated on the number of operatives at work on the day of inspection. The Governor-General in Council is also of opinion that this is on the whole the best rule, and is pleased to direct that it shall be adopted in all Provinces.

Order.—Ordered, that this resolution be communicated to the Local Governments and Administrations noted in the margin, and to the Finance and Commerce Department for information.

Madras, Bombay, Bengal, the North-Western Provinces and Oudh, the Punjab, Burma, Central Provinces, Assam, Berar, Ajmere-Merwara.
