SIR,

Madras.

I have the honor to inform you that the Engineer-in-Chief for Construction reports that much confusion and delay occurs in the Executive Engineer's Office in the anticipation of Award Statements owing to the Revenue authorities simply entering the names of the Owners and holdings and not giving the Railway Chainage as shown in the Land plans. I shall therefore be obliged if you will kindly arrange for the Railway chainage to be entered in the award statements in future to enable the Company's Officers to identify the lands referred to.
