SIR,

Eighty one (81) cents of S. No 92 wet, a
Biragi (Sathavirathi) inam land in Sandula
village, Wallajah Taluk, was acquired
for the new Arcot Ranipet Branch Railway.
The notification for the acquisition
thereof was published in the Fort Saint
George Gazette dated 12th July 1898 pages
635 and 636. The inamdar claimed the
grant of another piece of land in
exchange for the continuance of the service
and requested that a piece of land
equal in extent to the land taken up
be granted to him as inam from S. No
93 A. wet. There appear to be no suitable
unoccupied wet lands in the village
for assignment to the party. S. No 93.

adjoins the 43 cents of land still left
as inamⁱⁿ S. No 92 and lies to the west
of it. This field (93A) is a patta land
and is reported to belong to the same
class and rate as S. No 92. I have the
honor therefore to request that sanction
may be accorded for acquiring
81 cents of field No 93A for assignment
as Biragi inam. Draft notification
for the acquisition is enclosed. The
value of the two pieces of land, viz.
the one taken up and the one proposed
to be given in exchange, is the same.
The owner of the proposed land
is willing to part with it on payment
of compensation.

I have the honor to be,

Sir,

Your most obedient servant

Urassamunna
