DECEMBER.

Joint Gas Installation for the Bangalore City Station

Communicating to the Agent, Madras Railway, a letter from the Government of India declining to sanction the estimate, amounting to Rs. 72,190, for the proposed —.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Railway.

Read again the following paper:—

G.O., Nos. 1200-1201 Ry., dated 24th October 1899.

Read also the following paper:—

From—The Secretary to the Government of India, P.W. Department.
 To—The Secretary to the Government of Madras, P.W. Dept., Ry. Branch.
 Dated—Calcutta, 1st December 1899, No. 2226 R.S.

I am directed to acknowledge the receipt of your letter No. 1201 Ry., dated 24th October 1899, with enclosure, being a copy of the proceedings of the Government of Madras, No. 1200 Ry. of the same date, recommending that the sanction of the Government of India may be given to an estimate, amounting to Rs. 72,190, for a joint gas installation for lighting Bangalore City Junction station of the Madras Railway.

2. In reply, I am to state that the Government of India, while agreeing with the Government of Madras that it would doubtless be a desirable improvement to substitute gas for oil at so important a passenger station as Bangalore City, do not consider that the work is urgent, and it has not been proved that it will be remunerative; they therefore see no reason to accord sanction to the proposed expenditure until there is a reasonable probability of funds being allotted for the work.

ORDER—No. 1457 Ry., dated 13th December 1899.

Communicated to the Agent and Manager, Madras Railway, with copy of G.O., Nos. 1200-1201 Ry., dated 24th October 1899.
