I HAVE the honor to ask the favor of a very early reply to my Ref: on Colr Current No. 161 of 1899, dated 2. 5. 99 regarding the acquisition of land for staff quarters at Mailpatti Ry. Station

Dear Sir,

Land required at Mailpatti.

Your No. L.341 of 10th instant.

The land plan and schedule forwarded with this office letter No. C. 3082/131 of 19th January last was for 1 acre and 58 cents of land required as follows:-

For Staff Quarters 1.44 acres.
For Road diversion 0.14 acres.
Total 1.58 acres.

I therefore do not understand how the Collector of North Arcot has been advised that only 1.44 acres were required. At any rate I think that if the land actually measures 1.60 acres it should be acquired.

Yours faithfully.

SIR,

With reference to your letter No. 1620 dated the 20th. instant, I have the honor to inform you that a considerable portion of the land applied for in my No. L: 244/13 dated the 20th. January last is found to be liable to be flooded, it being lower than the maximum flood level, and is consequently unsuited for Staff Quarters. In recent floods the Station Master's house was flooded to the extent of 3 feet above ground level. The Company's Chief Engineer made a personal inspection of the ground on the 26th. January last, and he considers it — necessary to acquire the adjoining land which is at a higher level: hence the application for additional land submitted with my letter No. L: 341/557 dated the 16th. instant.

Sir,

In reply to your foot-note Ref. on Cur. Ver. No. 829 of 1899 d/ 13th June 1899, I have the honor to inform you that the Tahsildar of Gudyattam who was consulted, reports that there is no objection to transferring the extra land required by the Railway Company for staff quarters, and road diversion at the Melpatti Railway Station. He also reports that the land in question, 82 cents in extent forms part of S. No. 103 from which an area of 1·60 acres has already been acquired (Vide page 945 d/ 1st August 1899 of the Fort St. George Gazette and your Office Dis. No. $\frac{484}{D}$ Ver. of 99 dated 30th July 1899.)

2. The land in question is an inam

land owned by Subramanya Gounden, Kandasawmi Gounden, and Perianna Gounden and they are not willing to part with it unless compensation is paid to them at Rs 4 a cent; while the rate paid for 1.60 acres already acquired from the same member was one Rupee a cent. I have seen the land. It is certainly not worth more than Rs 100 per acre.
