To

The Consulting Engineer for Railways.
Madras.

SIR,

With reference to your endorsement
No 204 dated 18th instant, on Government of India
Public Works Department No 22 R. Stat. dated 10th idem,
I have the honor to state that the Company's
Chief Auditor informs me that up to the 6th September
1898 the telegraphic reports of approximate traffic
were issued from his Office almost invariably on
Tuesday in the first week and on a few occasions
only was the wire sent as late as Wednesday.
Flag T From September 1898 we were requested
by Government to include in the wire an ex-
planation of differences where such amounted
to Rs 50000 in any one week. This has necessitated
a reference to the Traffic Department involving
generally a delay of one day but in no case that
can be traced has the telegram been forwarded
later than Thursday.

I have the honor to be,

Sir,

Your most Obedt Servant
