Read—the following paper:—

From the Government of India, Public Works Department, dated 6th January 1899, No. 019 A.R.

With reference to your letter No. 1546 Ry., dated 15th December 1898, forwarding the preliminary issue of the revised and budget estimates of the Mutupet-Avadaiyarkoil Railway Survey for the years 1898-99 and 1899-1900, I am directed to say that as the cost of the survey will be wholly met from funds to be supplied by the District Board of Tanjore, revised and budget estimates for the survey need not be submitted to the Government of India.

2. As the survey will presumably be carried out by the staff of the South Indian Railway Company, the District Board can advance the necessary funds to the Company who will adjust the expenditure through the deposit account of the South Indian Railway. When the construction of the extension is commenced the survey outlay can be brought on to the construction accounts in the same way as was done in the case of the Mayavaram-Mutupet Railway.

Order—No. 66 Ry., dated 12th January 1899.

Communicated to the Agent, South Indian Railway, for information with reference to G.O., No. 1545 Ry., dated 15th December 1898.
