NOTIFICATION.

Nagpur, the 9th January 1899.

No. 156.—*Addendum*.—In exercise of the power conferred on the Chief Commissioner by Notification No. 302, dated the 4th February 1897, of the Governor-General in Council, the Chief Commissioner is pleased to add the following rules to the rules contained in Notification No. 8229, dated the 21st November last, publishing regulations under Section 2 of the Epidemic Diseases Act, 1897:—

"86-A. The inhabitants of an evacuated house should be allowed to remove sufficient grain for their personal consumption after it has been exposed to the sunlight so as to remove all danger of infection. If in any case it is desired to remove grain for sale from an infected area, it must first be spread out, under the direction of the Superintendent, and exposed to air and sunlight for 48 hours. In neither case must bags or sacks be removed until they have been boiled or disinfected and sun-dried.

"6-A. (Annexure II) Grain in evacuated areas should be dealt with as directed in Rule 86-A."

M. W. FOX-STRANGWAYS,
Chief Secretary to the Chief Commissioner,
