To—The Joint Secretary to the Government of Madras, P.W.Dept., Ry. Branch.
Dated—Calcutta, 16th January 1899, No. 029 A.R.

With reference to the revised estimate for 1898-99 of Guaranteed Companies—Land and Supervision, received with your letter No. 6 Ry., dated 2nd January 1899, I am directed to say that, according to the latest returns of expenditure, it appears that the outlay on land during the year will probably not amount to the proposed figure of Rs. 4,89,000, and I am therefore to request that the estimate may be reconsidered and a final report submitted to the Government of India not later than the 26th February next.

2. In the meantime the revised estimate has been accepted for Rs. 4,00,000.

Note by the Consulting Engineer for Railways on the final figures to be adopted in the Revised and Budget Estimates of State Expenditure on account of Land for, and Supervision of, Railways for the official years 1898-99 and 1899-1900, dated 20th February 1899.

Supervision.—The revised estimate for 1898-99 compares as follows with the Preliminary Issue:—

	Figures in the Preliminary Issue. RS.	Figures now recom- mended. RS.
Consulting Engineer's office	64,550	61,900
Examiner's office	50,450	49,100
Total	1,15,000	1,11,000

The decrease of Rs. 2,650 under "Consulting Engineer's office" is mainly due to only one Deputy instead of two being attached to the office for some months and to savings under "Contingencies."

The decrease of Rs. 1,350 under "Examiner's office" is chiefly due to the appointment of Deputy Examiner of Railway Accounts, Trichinopoly, having been vacant for some time, and to the provision now made for a Deputy Examiner of a lower grade for one month.

2. The budget estimate for 1899-1900 compares as follows with the Preliminary Issue:—

	Figures in the Preliminary Issue. RS.	Figures now recom- mended. RS.
Consulting Engineer's office	68,956	72,178
Examiner's office	53,483	45,522
Total	1,22,439	1,17,700

The increased provision of Rs. 3,222 under "Consulting Engineer's office" is due to the promotion of the Consulting Engineer to Chief Engineer, 3rd class, and to a sum of Rs. 600 being provided for additional temporary establishment required for the re-arrangement of the records of that office which have long been in a state of confusion.

The decrease of Rs. 7,961 under "Examiner's office" is due to the provision made for a lower grade Examiner and Deputy Examiner.

3. Land.—The final figures recommended for adoption are—

	Revised estimate for 1898-99. RS.	Budget estimate for 1899-1900. RS.
Lump sum for Rs. 5,000 and under	4,900	1,000
Loop lines between Washermanpet and Salt Cotaurs.	8,200	Nil.
