I have the honor to forward herewith in triplicate plan and schedule for extra lands required at Benhope Estate on the Nilgiri Railway.

2. I shall be obliged if you will kindly arrange with the Collector of Nilgiris for the land to be acquired immediately under the land Acquisition Act as the Proprietor of the Benhope Estate refuses to allow our men to enter upon his lands until the formal acquisition has been effected. The proprietor admits that his intention is to obstruct our work as a protest against the great delay which has occurred over the payment to him of compensation for damage caused to his estate during the construction of the line.

3. The Assistant Engineer of the Nilgiri Railway will arrange to take over charge of the land.

4. Kindly return the office copy of the plan and schedule duly countersigned.
