NOTES.

Reference to P. W. D. Code.

Chapter XIV, section ii, paras. 32 and 34.

1. Disallowances from Salary, Travelling allowance and Contingent bills of a Division or Office, will be neatly entered in this form by the Auditor and sent to the Deputy Examiner or Examiner for approval.

2. The reason for disallowance should be stated concisely and to the point, and should always give the ruling of the Public Works or Civil Travelling allowance Codes or Government orders under which the amounts claimed are objected to. All items provisionally passed, or items the audit of which is deferred for the want of information, should be so mentioned, and each item of disallowance should be marked by a distinguishing number.

3. On the disallowance list being duly passed by the Examiner or Deputy, alterations made in the bills will be noted in red ink over the original entries in the Register of Salaries, Travelling allowances, or Contingencies, as the case may be; the number of the item in the list being quoted opposite to the item in the Register in the column provided for the purpose in the different parts of the forms concerned.

4. After it has been entered briefly in the Register, the disallowance list will be forwarded to the office or division concerned for explanation.

5. All replies to disallowances must be written on this statement in the column provided for the purpose, and forwarded to the Examiner, who will return the statement to the drawer of the bill with his decision recorded on it. Further references, if necessary, and the Examiner's final decision, should also be entered briefly, under each item objected to, in the Register.
