2. Major Head XXVI.—South Indian Railway.—The falling off of Rs. 7,00,000 shown in the Revised Estimate of receipts is due partly to unfavourable goods traffic and partly to the adverse influence of the precautionary measures in connection with plague on the movements of passengers. The Budget Estimate for 1899-1900 allows for an increase of only Rs. 3,00,000 in receipts as the present unfavourable conditions do not warrant any large improvement on the earnings of the current year.

3. Major Head 48.—South Indian Railway.—The Budget Estimate for 1899-1900 is submitted for Rs. 5,00,000, being the amount of the provisional grant allotted in Public Works Department letter No. 604 A.—R., dated 21st December 1898, and is accordingly accepted by the Government of India.

4. The final issue of these estimates should be prepared and submitted so as to reach the Government of India not later than the 1st May 1899.

ORDER.—Ordered, that a copy of the above be forwarded to the Government of Madras, Public Works Department, Railway Branch, for information and guidance, with the request that 50* printed copies of the final issue of the estimates, as now passed, may be submitted in the usual course.
