PART I.

DEPARTMENTAL ORDERS.

No. 37.—Certificate for leave or retirement:—Government has directed that, in future, heads of offices must invariably furnish information regarding the extent of service and previous sick leave, in the descriptive roll of Government servants who may be sent before Medical officers to obtain certificates for leave or retirement. (G. O. No. 268, Public, dated 4th March 1899).

No. 38.—Alphabetical Index to Book I:—The alphabetical index of names of persons entered in Book I (P. O. 12 of 1899) should be prepared with reference to house or family names when such are used. In the case of Europeans and Eurasians the arrangement should be by surnames. In other cases the personal name should be used. In all cases the father's name should also be given in a second column, thus:—

Name.	Father's name.
Pasupuleti Kondadu.	Pasupuleti Ankadu.
Peters, John.	Peters, William.
Ponnusami Pillai.	Munusami Pillai.
Qadir Bádsha Sahib.	Pir M. Ahmad Sahib.
Rangan.	Raman.

Such prefixes as Para, Vodda &c., which merely indicate the caste, should not be used for the alphabetical arrangement.

No. 39.—Finger prints—Class of persons whose—should be taken:—In order to avoid unnecessary accumulations of finger print cards in the Central Bureau, Superintendents are informed with reference to rule 17 (a) of the Anthropometry pamphlet, that all persons convicted under Chapters XII and XVII, I. with head-quarters at Madras, and the other will have the South-west line from Arkonam including the Nilgiri Railway, with head-quarters at Jalarpet. The Southern Mahratta Railway will be in charge of one Inspector stationed at Bellary. The East Coast Railway, including the Madras-Bezwada line, will be in charge of an Inspector with head-quarters at Bezwada.

6. The first division of the South Indian Railway will consist of seven sections, each in charge of a Head Constable, the head-quarters of the sections being at Chingleput, Villupuram, Mayaveram, Tanjore, Trichinopoly, Madura and Tuticorin. There will be three sections in the second division, with head quarters at Vellore, Renigunta, and Kadi. The sanctioned strength of this Railway is, for the detective and travelling establishment, 10 Head Constables and 48 Constables, and for the platform staff and stationary establishment, 11 Head Constables and 213 Constables.

The detective and travelling staff are charged with the immediate duty of detection and prosecution of reported crimes and travelling on lines, especially in the night trains, for the purpose of prevention of crime. At each section the crime register and other necessary records are kept and each section is treated as a station. The Platform Police are principally charged with the maintenance of law and order at stations.

7. The first division from Madras to Tungabhadra consists of 3 sections, viz., Madras, Nandalur and Tadpatri; and the second division of four, viz., Arkonam, Jalarpet, Erode, and Podanur. 7 Head Constables and 32 Constables are sanctioned for the detective staff and 9 Head Constables and 173 Constables for platform duty.

8. There are four sections on the Southern Mahratta Railway at Bellary, Nandyal, Narasarpur, and Dharmavaram. Owing to the watch and ward duty having been abolished, the strength of Bellary and Guntakal has been reduced. The sanctioned strength is 4 Head Constables and 17 Constables for travelling and detective work, and 8 Head Constables and 25 Constables for the stationary establishment. Two men are in addition sanctioned for the Bezwada extension for platform duty at Kondapalli and Gangineni.

9. Including the Madras-Bezwada line, the E. C. Railway is formed into six sections with head-quarters at Gudur, Bapatla, Ellore, Samalakot, Vizianagram, and Berhampore. The sanctioned strength for the detective staff is 6 Head Constables and 24 Constables, and 7 Head Constables and 119 Constables for the platform establishment.

10. The appended statements give the details of the distribution of the force subject to the approval of Government. The reserves of all the Railways should be treated as one body and stationed in Madras, where they will be useful in keeping order at the terminal stations.
