From
G. W. Dana Esquire Esq.
Collector of Malabar.

To

The Secretary to the Commissioners of
Land Revenue,
Madras.

Sir,

With reference to Board's Proceedings No. 3190 Misc dated 14th Instant, I have the honour to report that M. R. Ay Sita Row Avergal, the New Deputy Collector appointed to acquire lands for the Cannanore Railway extension, reported himself to me for duty on the 21st Instant.

2. I submit a proposition Statement for his establishment as directed in the Board's Proceedings quoted above.

3. I must admit that I do not know exactly what to do with Mr. Sita Row. He is quite new to the District and has no knowledge of its peculiar tenures and customs. I have therefore told him for the present to watch the other Deputy Collector, M. R. Ay Rama Row Avergal, and thoroughly familiarise himself with that officer's methods, which are based on detailed instructions which I have given him as occasion arose. It is not only not necessary that both the Deputy Collectors should work on the same lines, but I have seen so much money wasted in this District by persons who had no previous knowledge of the subject being suddenly ordered to

Aug A

to acquire a large extent of land at racing
and, that I propose to hasten slowly.
If the Government could expedite the
publication of the notice for the acquisition of
the lands required on the other side of the 26th
mile I would put Mr. Sita Row on to that
work. Mr. Rama Row says that he will be
able to give the Railway Company all the
land up to the 26th mile by the end of January.
Even if Mr. Sita Row were put on to work
simultaneously with Mr. Rama Row, we
should only save a month, and the time thus
gained would probably be dearly bought
by the confusion which would be caused
by two men doing the work of one.

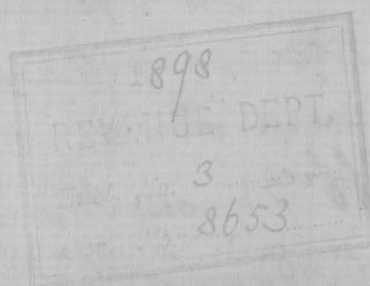

I have the honour to be

Sir,

Your Most obedient Servant

W. H. Stanley

Collector of Malabar.

Copy to the Secretary to Government. R. D.

Several land plans & schedules
are now held in abeyance in
this office awaiting the sanction
of the Govt of India to commence
work beyond the 26th mile.
As soon as this sanction is
received & notifications for
the acquisition of these lands
will be published & then
both the Deputy Collectors will
have plenty to occupy them.
It is impossible for me to
say when the sanction is
likely to be received. It
might come any day, or the
other hand further reference
& suggestions may be made.

Reference No. 152 dated 15th April 1899 189

M.R.R.V.P.Sita Rau Pantulu Garu, the additional Deputy Collector employed in acquiring lands for the Calicut-Cannanore Railway requests that his clerical staff may be strengthened at once by the appointment of two additional clerks & a process writer so as to prevent an accumulation of arrears similar to that which recently rendered a similar addition to the staff of the other Deputy Collector necessary. The request which is supported by the Collector is submitted for the favourable consideration of Government. The Board observes that Mr.Dance is convinced that this increase in establishment must be sanctioned "sooner" or "later" and agrees with him in considering that it is wisest to prevent the accumulation of arrears.
