PROCEEDINGS OF THE MADRAS GOVERNMENT

Read the following paper:—

From the Inspector-General of Police, Madras, No. 1718 dated 28th April 1899:—

With reference to G.O. No. 439, Judicial, dated 13th March 1899, sanctioning the introduction of the full Railway Police scheme from 1st April 1899, I have the honour to request the orders of Government as to whether the reduced scale of the Southern Mahratta Railway Police sanctioned in G.O. No. 587, Judicial, dated 9th April 1898 may be given effect to at once, or whether the old scale may be kept on until the necessity for plague precautions ceases under the sanction accorded in G.O. No. 830, Judicial, dated 26th May 1898.

2. As the cost of the revised scale is less than that of the old scale, it is probable that the Southern Mahratta Railway will object to pay for the old scale of establishment. Platform orderlies have not been provided for several minor stations in the revised scale. At the stations at which constables are necessary to enforce the plague regulations, if men cannot be supplied from the District strength, the sanction of Government will be applied for, for a temporary addition. If Government authorises me to introduce the revised scale sanctioned in G.O. No. 587, Judicial, dated 9th April 1898 at once. I shall address the Agent of the Railways in view to his making arrangements for undertaking the watch and ward

duties
