GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

Railway Construction.

All communications should be addressed to the Secretary.

To

The Joint Secretary to the Government of Madras,

Public Works Department, Railway Branch.

Simla, the 29th April 1899.

Sir,

In Public Works Department Circular No. VII Ry. dated 25th July 1893, the Government of India specified the main points under which information was to be supplied in the half yearly inspection reports of open lines of railway.

2. I am now directed to say that, with a view to enabling the various Senior Government Inspectors for Railways to know what is being done in other circles, it appears to the Government of India desirable that copies of all half-yearly inspection reports of open lines should be inter-changed between the officers concerned.

3. I am, accordingly, to request that with the permission of His Excellency the Governor in Council the Senior Government Inspector for Railways, Madras, may be authorized to supply one copy of each of the half yearly inspection reports of open lines under the control of the Government of Madras direct to the officers noted on the margin who will also be asked to furnish copies of the reports for lines in their circles of inspection direct to

Senior Government Inspectors for Railways, Bombay, Burma, Calcutta, Lucknow and Assam.	x

the

the Senior Government Inspector for Railways, Madras.

I have the honour to be,

Sir,

Your most obedient servant.

C. J. Hole.
Under Secretary.
