To—The Joint Secretary to the Government of Madras, P.W. Dept., Railway Branch.
Dated—Camp Russellkonda, 17th May 1899, R.G.B. No. 184-Eng.

With reference to clause 10 of the notification, dated 9th May 1899, published on page 533 of *Fort St. George Gazette*, dated 9th May 1899, I have the honour to request that Government will be pleased to nominate the officer who is to approve of the plans and work done in respect of bridges on the Parlakimedi tramway. There is one very important girder bridge on the line.

2. I would suggest that the Engineer-in-Chief, East Coast Railway, be nominated for the purpose.

3. With reference to paragraph 8 of the notification, I have to point out that one set of plans has only just been received by the District Board, but that work has been for a long time in progress, and is still in progress.

4. I have informed the Engineer in charge of the tramway that, subject to the orders of Government, I do not wish to insist on the work being stopped or to place a literal construction upon that clause, provided that other conditions are substantially complied with. It is desirable in my opinion that no unnecessary obstacles should be thrown in the way of the early completion of the work.

ORDER—No. 642 Ry., dated 7th June 1899.

The Consulting Engineer for Railways, Madras, will exercise the powers and functions reserved to Government in paragraphs 8, 10, 11, 12, 21, 22 and 23 of the Parlakimedi Tramway Order.

Bridges on Parlakimedi Tramway.

To

- Clause 10 of the order provides
- (1) that where the tramway passes over existing road bridges which in the opinion of the local authority are not strong enough, the promoter shall make such alterations as may be required by the road authority.
 - (2) that where the promoter elects to construct separate bridges they shall be of such design & constructed in such manner as shall first be approved by an officer appointed by Govt

The powers and functions reserved to Government in the several paragraphs of the Tramway Order are all of such a nature that they can best be exercised through the Engr's Office. The latter will if necessary appoint his Deputy.

FWS
29/5/99

Under Sec 12 of the Tramways Act the tramway will have to be inspected prior to opening by an officer Engineer appointed by Govt. So, it is presumed, a Govt Inspector will have to inspect it.
