Revenue Dept.

Draft order on P.W. & C. 780
of 99 sent to Rev. Dept for counters-
initials.

To Secretary

In connection with the file
re Special Dy Collector employed
on land acquisition, it is proposed,
~~with reference to the file~~ to inform
the Collector that the draft noti-
fications should not be prepared
without the land plans.

One/8/99

It was thought that the work
was being delayed owing to
the obstruction of the
Raja of Parlatumedi's agent
& as the Special Deputy
Collector was wanted for
his work in Vizagapatam.
The collector was accordingly
asked whether he could
spare the deputy collector
"one month from now".
It should have been "for
one month from now". The collector
naturally inferred that he
was asked to hasten the
acquisition work & so acceded.

no 3733
of 99

to have sent up the
draft notification before
proper plans were ready.

~~These are however~~
The mistake has
been pointed out to the
Collector.

There seems no
objection however to publishing
the notification if words
are added to the effect
that the acquisition should
not be proceeded with in
anticipation of the preparation
of proper plans. There is
no need for extreme haste
& land acquisition work
cannot be done carefully done.

Addition made, it is presumed the
plans have been made already
by the Engineer of the R.
It is hardly conceivable that
he is constructing a line
without having prepared plans
& marked the boundaries.

It is submitted that
the remark should also be
entered at the headings of the
notifications. This will be
done if approved.

I have put it in where
the Secretary asked me

does not concern this
