EXAMINER'S REPLY.

The terms of the agreement with Mr. Anson, excepting as regards T. A., may be approved of by the Consulting Engineer. Under the new T. A. rules, sanctioned by the Govt of India, Mr. Anson is eligible for Rs 100 only per mensem, and the payment to him of Rs 150 per mensem under agreement requires the sanction of the Govt of India, which, if approved, may be applied for, the circumstances of the case being clearly stated.

C.R. I do not see how the new T.A. rules can effect Mr. Anson's allowances. India has sanctioned the Executive Engineer of the C.E. extension drawing a fixed monthly allowance of Rs 150. See enclosure to letter No. 2866 R.E. dt 28.9.98 page 15 of G.O. 1226 R. of 7.10.98. Surely the Madras R. cancelled an existing sanction of India. Mr. Anson has been engaged for a special temporary work & is not a Madras permanent official.

E. R.

The sanction you refer to was for 1898-99 only and necessarily lapsed on 31.3.99.

M^r Anson was passed T. A. at Rs 150 p.m. up to March 99 and the question now is what he is entitled to subsequent to that month.

The new T. A. rules which were sanctioned after sanction had been accorded to the scale of establishment for 1898-99, provide certain allowances for officers (not necessarily those belonging to the Corps permanent staff) engaged on surveys or on construction. Under these rules M^r Anson is eligible for Rs 100 per mensem, but as under his agreement which was entered into prior to the issue of these rules he is entitled to claim Rs 150 p.m., the sanction of the Govt of India is required to permit of an allowance being passed not admissible under the rules.
