REVISION OF THE CONDITIONS OF THE PROVIDENT FUND.

In continuation of Board's letter No. 213 of 17th June, 1898, a copy is now enclosed of the Government of India new proposals, as received from the Secretary of State for India with his letter of 7th

April, 1898, copy of which was forwarded to you with Board's No. 213 above referred to. You will have observed by the Board's reply to the Secretary of State, dated 26th May, 1898, copy sent to you 17th June, 1898, that the Board accepted the conditions of the Government of India, but made certain suggestions for the consideration of that Government.

Although no reply to these suggestions has as yet been received, the Board understand that the benefits contemplated under the proposed new rules have been conceded, as from 1st January, 1898, to the employes of certain others of the Guaranteed Railway Companies.

You are requested to make application to Government that the employes of this Company, as in the other cases referred to, may similarly be allowed the option of paying up the arrears from 1st January, 1898, so as to entitle them to the benefit to be derived, under the new revised conditions, from that date.

EXAMINER'S REPLY.

The Agent's proposal may be
referred to the Govt of India
for orders, the case of the
Madras Railway being quoted
as a precedent. vide Govt of
India telegram 123104 R.E. 27
29.10.98, embodied in G.O. 14758,
27.29.11.98. Payment will be
made only on receipt of final
orders and then of course only
to the extent found to be due
on the actual arrears of sub-
scriptions collected.

To E.R. for orders. This
case seems exactly parallel
with M.R. case. dealt with
in G.O. 1475 R.E. put up with
reference to India is possibly not
necessary.
