AGENT AND MANAGER'S OFFICE,

MADRAS.

5th June 1899.

The Agent and Manager,

Madras Railway Company,

To

The Consulting Engineer for Railways.

SIR,

Madras.

I have the honor to state the Locomotive Superintendent informs me that in consequence of the discontinuance of the use of wood fuel over the greater part of the Company's system, the appointment of Fuel Inspector does not appear to be now necessary, and as a vacancy as Driver-in-Charge has occurred through the death of the late Mr. Lem, he proposes to transfer Mr. Lowe, the present Fuel Inspector, to the Driver-in-Charge grade.

2.

2. Mr. Lowe has been very many years in the Company's service and has been working as Fuel Inspector for

7 years. He is now drawing a salary of £300/- per month which is the maximum sanctioned for the Fuel Inspector and as the change of grade is in no way due to his own action, it would be rather hard to reduce his salary to £250/- which is the maximum for the grade of Driver in charge.

3. It is not anticipated that Mr. Lowe will remain very much longer in the Company's service and Mr. Shippo recommends, as a special case, and in consideration of the uniformly good work that has been done by him, that he be granted a personal allowance of £50/- in addition to the pay of his new appointment as Driver in charge. This ^{is equivalent} ~~amount~~ to allowing him to continue to draw his present salary of £300/- in the lower grade, the net saving to the Company being £250/- a month.

4. Under these circumstances I beg to request that you will be good enough to accord your sanction to the grant to Mr. Lowe of the proposed allowance recommended by the Locomotive Superintendent.

I have the honor to be,
Sir,
your most obedt. Servt.,
Edmund.

As Mr. Lowe is at present in receipt of a salary of Rs 300 and his transfer to an appointment carrying a lower salary (Rs 250) is in no way due to his own incompetence but solely ^{owing} to the abolition ~~abolishment~~ in the interests of the Railway of the former appointment I am instructed to recommend that sanction be accorded *15.6.99.*
