In the first
paper noted above, the P.W.D
communicates the sanction
of the Govt of India "to the
temporary deputation for a
period not exceeding one year
of m.k. P. Sita Rao Pantulu
Jarn, Dy Collector, 5th Grade on
a salary of Rs 300" for the acqui-
sition of the lands required for
the Calicut - Cannanore railway.
The P.W.D G.O. was received in
the R.D. on the 15th ultimo but
as from the previous corres-
pondence read therein it ap-
peared that the question of
the tentage allowance claimed
by Sita Rao Pantulu, referred

to

to in para 4 of the letter from the Examiner of P.W. Accounts of 9th Jan^y last was not expressly disposed of, the originals of the P.W.D orders were called for. These have since been received and the P.W.D has also referred for remarks a letter from the Examiner of P.W. Accounts disallowing tentage to Sita Rao in the absence of specific orders from Govt.

2 The first paper has now merely to be communicated to the Board of Rev and to the Acct General. As regards the second paper, it is submitted that Art 1142 of the C.S.R, with its appendix, says that, in Madras, tentage allowance may be granted to "Such Deputy Collectors as the local Govt require to maintain the prescribed equipment of tents". The correspondence on which this provision was made has been looked up and it is found therefrom that in all the letters with the exception of

of the last the Dy Collectors who were to be required to maintain tents and receive the allowance were spoken of as officers in charge of divisions, or "general duty Dy Collectors". The last letter from the Govt of India however left it to the local Govt to decide who should maintain tents and consequently who should be given the allowance.

3 ~~As to~~ The question whether Dy Collectors or employed on land acquisition work should be required to maintain tents - all temporary Dy are already exempt from doing so - does not appear to have been raised or considered in the R.D. before - as all such matters had till recently been disposed of in the P.W.D. Probably it was raised in ~~the~~ the latter Dept when Mr Pinto a permanent Dy Collector was employed in 1884, 1895 and 1896

1896 on land acquisition work
for that Dept - at any rate the
examiner would be able to say
whether any such allowance
was passed to Mr Pinto Chen.
The P.W.D may perhaps be
asked to obtain information
on the point.

As regards
the grant of P.A. to
Dy Collector Sita Rao
Pantulu on Land Acq
work on the West Coast
~~the~~ it is submitted
that tents are not
used on the west coast
& so there seems
no reason why he shd
get P.A. when employed
on his present duties;

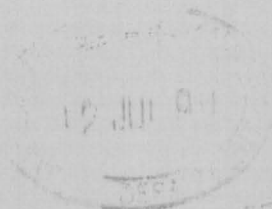

unless he may get it as a
permanent Dy Collector liable
to be transferred to Genl duty
when he will need tents.

Why rate at all this?

If he was transferred from
a post where he had to keep
tents, I could continue
his tentage; otherwise not.
As a foreign Brahmin
he might find it difficult
to obtain shelter along
the line - M
